## Purpose

This policy outlines the Mission, Vision and Values endorsed by the Barrie Public Library Board. These foundational statements guide the Library's strategic directions, goals and activities.

## Policy

### Mission

Discover Opportunities

### Vision

Barrie Public Library...where community comes together.

### Values

#### Service

We care about and respond to the needs of our community and our colleagues. We have unique interests, experiences and passions, and we bring these to work every day. We engage with our community and welcome everyone.

#### Curiosity

We are interested, inquisitive and committed to exploring new ideas and considering fresh perspectives. It is our curiosity and creative thinking that will ensure we continue to succeed. We use our imaginations to exceed expectations.

#### Sharing

We believe in collaboration, inclusion, and diversity. Through partnerships and community engagement, we seek opportunities to cooperate and build connections. We share.
