

New Items New eBooks Select Reads Author Check

The book & author discovery features above appear at the top of the online catalogue:

encore.barriepubliclibrary.ca

New Items – New Book Alerts

1. Browse new items by clicking **Books** or **Multimedia** in the menu at the top of the screen. Selecting multimedia allows you to browse audiobooks, movies and music
2. You can also browse by subject using **Selected Categories** or **All Categories**. Relevant book titles appear in the middle of the page. A detailed list of categories is in the left column
3. Click an item to view:
 - description
 - check availability in the catalogue
 - author information
 - reviews
 - read-a-likes (ReadNext)
4. Click **Free Subscription** to receive a monthly list of **all** newly arrived items. 'On Order' items will not appear

New eBooks – e-Book Alerts

1. Browse new e-book titles by clicking All Fiction, All Non-Fiction, All Children or Teens in the left column
2. After selecting one of these general categories you can browse more specific sub categories
3. Enter your email to subscribe
4. Choose a genre for your monthly e-book alert

Updated: August 2019

SelectReads

Use SelectReads for more targeted genre alerts.

- **New Titles:** top 10 items from the past 30 days. Includes books, audiobooks, music and DVDs. View and create alerts by genre and topic.
 1. Click **Preview** on a topic to view the list.
 2. Click **Select** to add this topic to your alerts
 3. Add your email and click **Subscribe** to receive monthly alerts
- **New Ebooks:** top 10 e-books by genre and topic
- **Monthly Picks:** older titles you may have missed. Includes books, audiobooks, music and DVDs.
- **Staff Picks:** regular staff-created newsletters
- **Awards List:** view items featured in Canadian and international literary awards
- **Author Spotlight:** monthly email highlighting 2 authors in a selected genre
- **My SelectReads:** perform one or more searches and use this as the basis for a weekly alert. Click **Preview** to view results, then **Subscribe**
- **Web Lists:** one-off staff book lists
- **Events:** subscribe to library news and programs

AuthorCheck

- Browse or search for author information
- Login or sign up first to **Track** authors and get alerted about their new books
